

ACP R-19  
CARBON ROD

The diagram shows a hand-drawn sketch of a carbon rod assembly. At the top left, there is a horizontal rectangular block. A curved line extends from the bottom right corner of this block, pointing towards the text 'ACP R-19 CARBON ROD'. Below this, there is a large, dense area of horizontal lines, some of which are slightly curved or wavy. To the right of this area, the text '3/8 X 3' is written. The entire drawing is done in black ink on a white background.

3/8 X 3
