

A technical drawing of a control horn assembly. The drawing shows a curved horn structure with various components labeled. At the top, a curved line is labeled F3. Below it, a curved line is labeled F9. A central part of the drawing shows a rectangular structure with internal details, labeled FS4. To the left of this structure, a curved line is labeled 3/32 BALSA SHEETING. Below that, a curved line is labeled 1/8 X 1/4 STRINGER. To the right of the central structure, a curved line is labeled 1/4 SC CRUT. At the bottom, a curved line is labeled CONTROL HORN. The drawing includes various lines, curves, and small rectangular blocks representing different parts of the assembly.
